

PUMP BOSS II

Radio Remote Controls for the
Concrete Industry from

REMTRON

The new BOSS in TOTAL CONTROL!

Are you in **total control** of your concrete line pump? Not unless you are Remtron equipped! The new **Pump Boss II** wireless control system is designed to perform and survive in tough construction environments, day in and day out. Combined with our specialized **POSILINK™** protocol, losing control is now a thing of the past. Easy to install and maintain, the new watertight case will ensure your system stays safe from the elements no matter how tough your job site is. With a one year unconditional warranty, being in **total control** of your equipment has never been easier.

Features:

- **POSILINK™** Protocol : 902-928MHz
- Weight, Transmitter: 11 oz.
- Operating Range: Up to 1000 ft. line of sight
- Battery Power: Two AA batteries
- Output Relays: 16 Amp @ 30 VDC
- **Watertight** Cases on transmitter/receiver IP66/67
