

"...and to our disbelief  
the box kept on working."

LOCK  
ENGLISH

- Manager of Plant Operations  
Jorgensen Steel

***You think you're tough?***

Remtron sells wireless controls that can take a real beating. Our radios will give you years of reliable operation even after being run over, smashed or crushed. No other radio manufacturer comes close to our level of product performance and customer satisfaction. Contact Remtron today and let us make a believer out of you.

*Remtron 21T34 and 21T44 style belly-boxes.*
