

PRODUCT END-OF-LIFE ANNOUNCEMENT

The product end-of-life (EOL) announcement signifies that a specific product has entered the final phase of the Cattron product life cycle and serves as notice of product termination per the Cattron EOL policy.

EOL PRODUCT	DESCRIPTION
DiaLog Elite™	Elite land-line based alarm dialer

EOL TIMELINE

The last date Cattron will accept orders (Stage 2), the last date orders may be scheduled for shipment (Stage 3) and last date for hardware service (Stage 4) are listed in the table below.

STAGE 1	STAGE 2	STAGE 3	STAGE 4
EOL announcement date	Last date to order	Last date to ship	Last date for hardware service
October 7, 2020	November 7, 2020	November 30, 2020	Per warranty

ALTERNATIVE PRODUCTS

In order to fulfill your requirements beyond this product's discontinuation, we invite you to evaluate alternative Cattron (formerly Antx) products. Outlined below are our recommended alternative Cattron products as either a direct replacement for the DiaLog Elite or other comparable products. Please contact one of our sales team members to assist you with determining the best replacement product for your application.

PRODUCT	DESCRIPTION
EliteIQ™	Wireless version of the DiaLog Elite. Cloud-based user interface using our RemoteIQ™ platform.
Aquavx™	Wireless monitoring and reporting in a smaller, fixed I/O system than the EliteIQ. Cloud-based user interface using our RemoteIQ™ platform.
Messenger 600	Wireless monitoring, reporting and alarming for up to 600 Modbus RTU conditions. Cloud-based user interface using our RemoteIQ™ platform.

Please do not hesitate to contact us if you have any questions or need further assistance.
