

PRODUCT END-OF-LIFE ANNOUNCEMENT

The Product EOL Announcement signifies that a product series has entered the final phase of the Cattron Product Life Cycle and serves as notice of product termination per the Cattron End-of-Life (EOL) policy.

Cattron announces the End-of-Life phases for the following product series.

CP750	CP750 Legacy Control Panel Series
CP760	CP760 Legacy Control Panel Series
CP600	CP600 Control Panel Series
CP620	CP620 Control Panel Series

EOL TIMELINE

The CP750 Legacy series will be superseded by the more advanced CP750-E (Enhanced) series, providing the same control features plus new enhanced features and larger color display.

The CP600 and 620 has been superseded by the more advanced CP640 series providing the same control features plus new enhanced features and color display.

Cattron's aim to provide the best available products, these control panels will be phased out according to the timeline below
